Dear Mr. Wilson:

The enclosed application for extension of the patent term of U.S. Patent No. 4,267,179 issued on May 12, 1981, was filed on October 30, 1992, under 35 USC § 156.

Your assistance is requested in confirming that the product identified in the application has been subject to a regulatory review period within the meaning of 35 USC § 156 (g) before its commercial marketing or use. Since a determination has not been made whether the patent in question claims a product which is subject to the Federal Food, Drug and Cosmetic Act, this communication is NOT to be considered as notice which may be made in the future pursuant to 35 USC § 156 (d) (2) (A).

Our review of the application to date indicates that the subject matter would be eligible for extension of the patent term under 35 USC § 156.
